Discussions

Mr Bender distributed to the Board copies of the Consulting Engineers Certification of the Budget as required.

Mr Bender then asked for approval of the SEPTA easement agreement that was presented previously to the Board.

Mr Kavash asked if these ever expire. Mr Bender stated that they do not. Mr Fisher stated that SEPTA operates in a slightly different manner. If we should need to get access to the water line we are required to get a Right of Entry Permit from SEPTA and that would have an expiration date.

The Board then voted.

Motion to Approve SEPTA Registry #4727 Easement Agreement for the North Wales Train Station Parking Lot

		Lawrence Clever	Seconder	<input checked="" type="checkbox"/>		
		Herbert Kavash	Initiator	<input checked="" type="checkbox"/>		
		Carene Makinson-Sanders		<input checked="" type="checkbox"/>		

Mr Berry then reported on the Operational activities for the month and presented a few end-of-fiscal-year facts. In the customer service area our electronic transactions have increased. These include e-billing and online payments.

Production is normal for this time of year. Our end of year metered ratio to water pumped is approx 96%. This means that our unaccountable water is only around 4%. This water would be for our flushing of new lines and annual maintenance flushing.

Mr Berry reported on the number of hydrants that were maintained for the year and new services. He also reported that since Mrs. Hagey came on board we have closed nine E-jobs. , capitalizing approximately \$2.1 million into fixed assets.

Mrs. Hagey reported that the annual audit is scheduled to commence on December 10th. She also reported that Standard & Poor's has performed an analysis and have upgraded the Authority our rating from AA- to AA.

Mrs Hagey then asked for approval for payment of bills and requisitions in the amount of \$1,203,713.84. Mr Clever asked who "Checkfree" was, and it was explained to be a pay-by-phone company that we receive electronic payment files from. They charge a small administrative fee for the file.

Bills & Requisitions Approval

» Motion to Approve the Bills & Requisitions in the amount of \$ 1,203,713.84

✓ Vote Record –		Yes/Aye	No/Nay	Abstain	Absent
x	Accepted				x
	Joan Nagel				
	Albert Tenney	<input checked="" type="checkbox"/>			
	Lawrence Clever		Initiator		
	Herbert Kavash	<input checked="" type="checkbox"/>	Seconder		
	Carene Makinson-Sanders	<input checked="" type="checkbox"/>			

Mr Bender then reported on his activities. The mapping project that Chase Howse has been working on should be completed in late January. Chase has done a great job on this. The new maps will show all areas and the service providers.

The Bucks County Consortium has admitted the Authority, but the Montgomery County Consortium will need to change their by-laws to admit Authorities, and a motion had been made by them to make this happen.

Mr Bender and Mr Berry are working on the new Goals and Objectives matrix. Employees will be given clearly defined expectations and timelines for their work.

Mr Bender is also investigating advanced electric purchase agreements. He has spoken to Mrs Patton at the Borough about the possibility of solar panels on our building and the issue of our building being in a historic district, all in an effort to save the Authority money on future electric supply.

The Annual report theme will be "World Class In Your Backyard", and this will be ready after the audit is completed and included. We are hopeful to have this by the end of January for review.

A brief executive session was held during which time Mr. Bender reviewed his plans to distribute the employee performance incentive awards. As the amount proposed was less than approved within the 2008/09 budget, and without objection, Mr. Bender is to proceed. No Board action was needed.

Statements

There being no further business a motion was made by Mr. Kavash, seconded by Mr. Clever, to adjourn the meeting at 7:50 pm. All present voted in favor.

Lawrence Clever

Secretary
