RE: NWWA Warrington Township 2022-23 Infrastructure Improvement Program

Dear Warrington Township Resident:

This letter is to inform you of an upcoming North Wales Water Authority (NWWA) improvement project in your area. NWWA will be installing new water main and services on your street and other nearby streets. (Center Ave, Evergreen Ave, Grady Ave)

NWWA is informing you of this project since you may be impacted by temporary street closures and/or detours during this time. Certain streets may only be open to local traffic, emergency vehicles, mail delivery and school buses. (General work zone location map on back side of this letter)

The project is expected to begin on, or around, **June 7, 2022**, and will last approximately one hundred and twenty (120) days. NWWA's contractor is Passerini and Sons, Inc. normal hours of operation will be from 7:00 a.m. to 5:00 p.m., Monday through Friday.

For on-going updates on this project, please visit the NWWA website at www.nwwater.com and go to the Warrington page. You may also call Mark Elser (Special Projects) direct at 267-421-4577 or our Warrington Customer Service team at 267-482-6940 and ask for Mark.

Or if you prefer email and you have any further questions or concerns, please contact Mark Elser (Special Projects) or Joseph Murphy (Assistant Director of Operations) or via email to melser@nwwater.com or imurphy@nwwater.com respectfully.

For your safety and all the residents traveling and living on these streets as well as the contractor's employees, we appreciate any minor detours you might be availed to take and as always, we appreciate your cooperation during these vital water main improvements.

Sincerely,

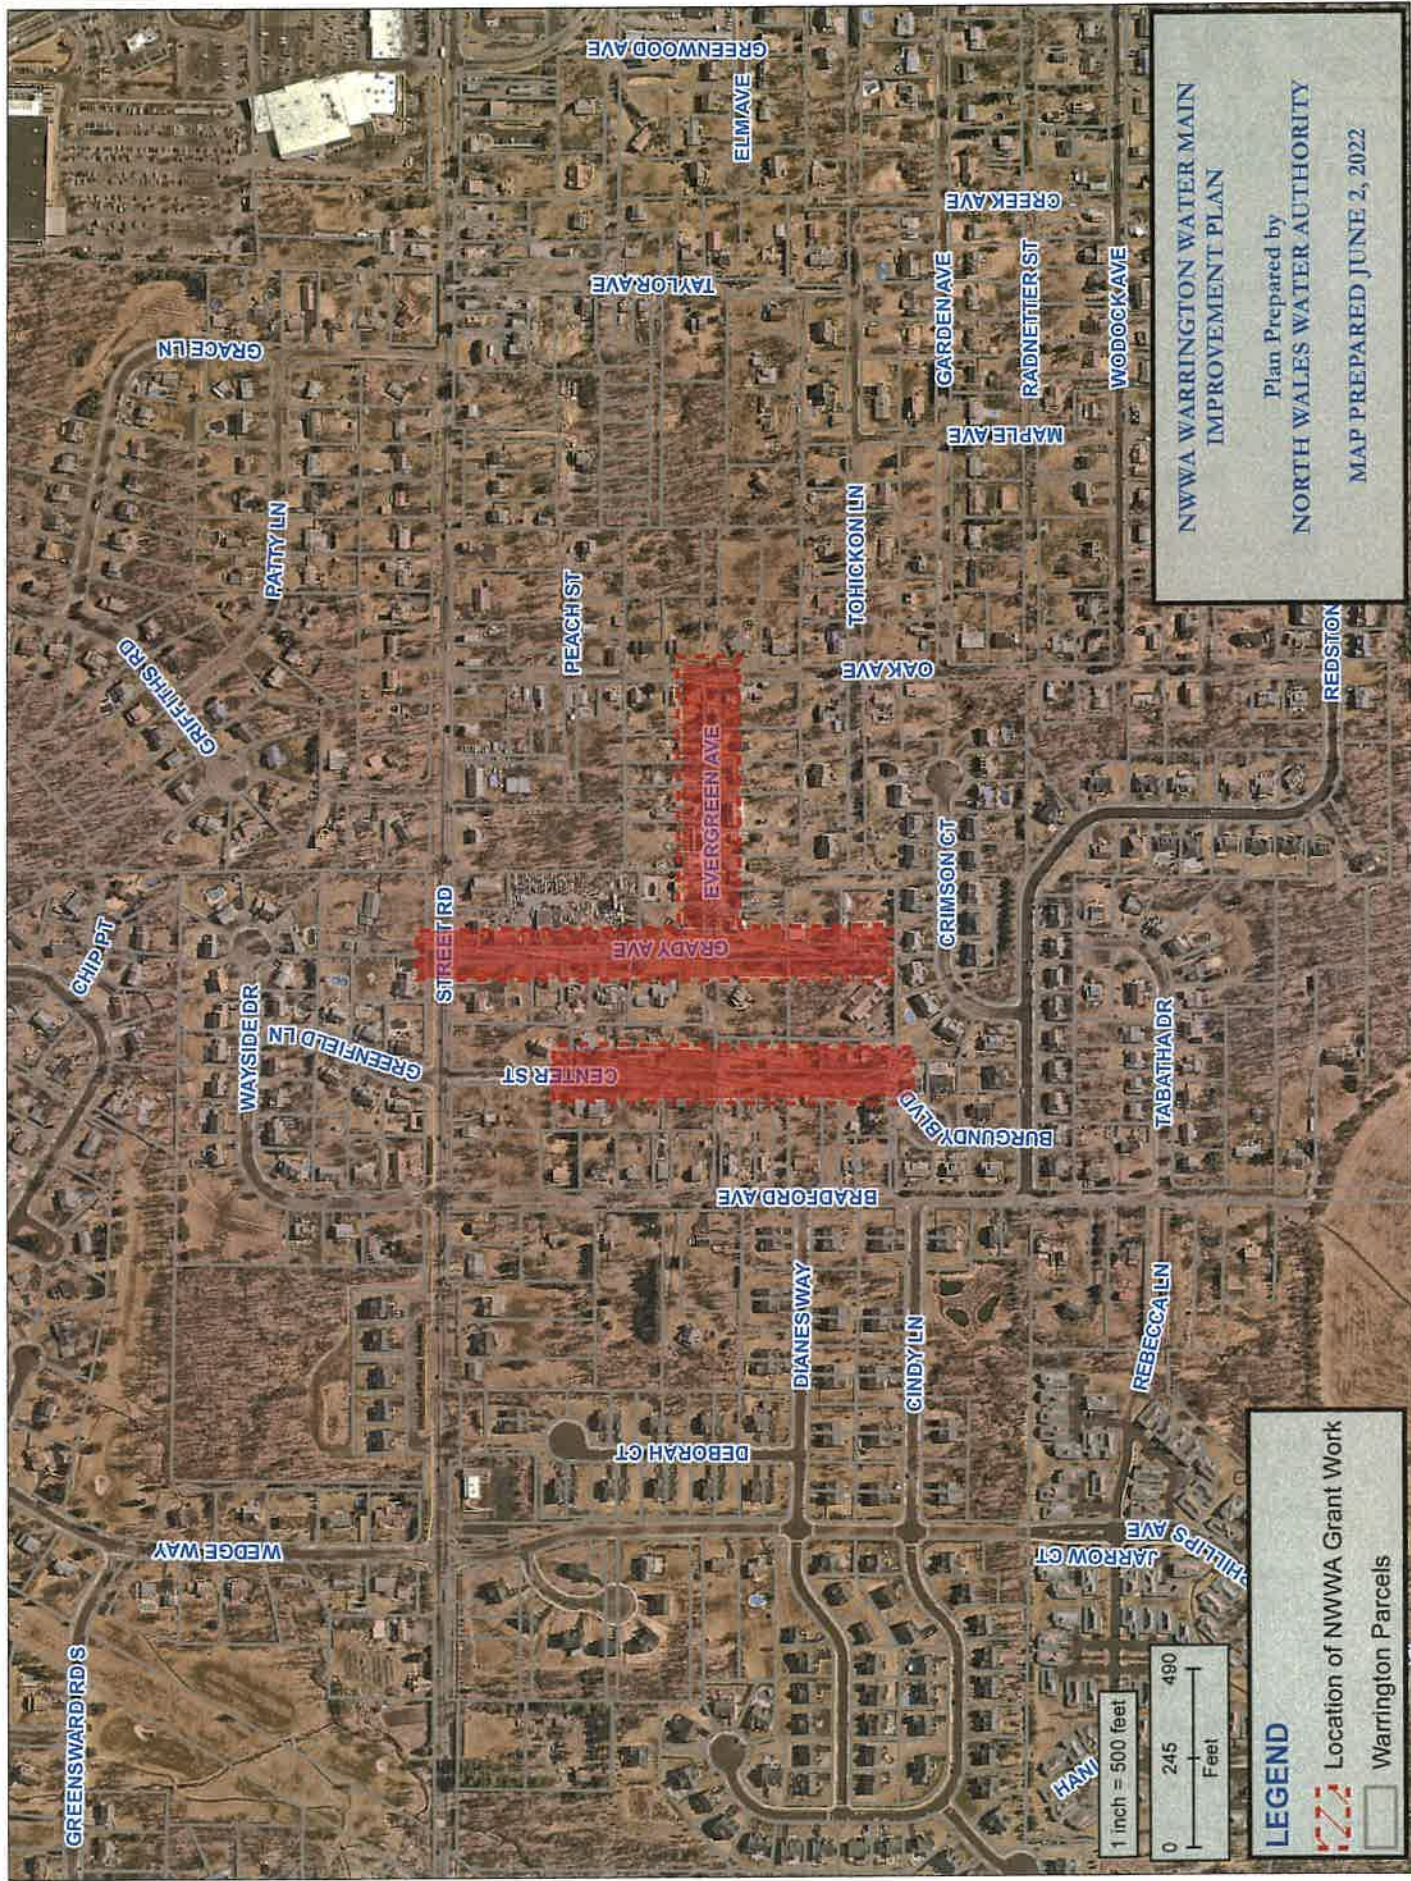

The North Wales Water Authority

cc: Barry Luber, Manager, Warrington Township
Danial Friel, Police Chief, Warrington Township
Christian Jones Assistant Township Manager Warrington Township
